Dear Roy,

I hope that this letter finds you safe and well.

I am writing to thank you for the fantastic donation of face shields— thank you so much.

We are so grateful to you and to all of our supporters who are continuing to support us during these challenging times. Everyone at RBLI feels incredibly lucky to have such amazing supporters who 'keep calm and carry on' to support our nation's veterans.

Your donation and all the funds raised from events across the UK, will help us to ensure that every veteran and their family who needs us has access to safe accommodation and the right support to rebuild their futures. It really will change lives.

Thank you again for your amazing support and please pass on our thanks to all local Freemasons.

Warmest wishes,

Nik Marinov ACMA CGMA
